**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please preserve the ability of small innovative internet providers to use unbundled network infrastructure from the large telecoms like ATT through Bridge 2 Broadband. I use a local internet provider sonic.net that provides fantastic low price gigabit fiber that is threatened by the big telecoms efforts to control the infrastructure. Please say no to the huge companies trying to monopolize internet access.
